

Tuesday morning

Dear Deborah

I told Lucia & E. that I should bring down a letter for them to take to you, but as the prospect is you will see Caroline will not be here to come down with the Chapmans on Friday, it is very likely I shall. Some thing may occur to hinder me, but it is not very likely. Herrietta will not be able to come till after the Nantuxet meetings, so that need not affect us. What do you think about our having Sylvia next week? However I can talk about that when I see you, which will I think it probable be Friday. Miss Watson is cutting my pink gown, as Gillespie is out visiting during the month of August. Lucia & E. can tell you about the meetings. Tell Emma I got a message by dining from which I gather that I am to bring down her gown Friday, leaving Lucia's in town. Henry has walked out to day & seems comfortable. I met Bro May at the office this morning & must say he appeared very lovely.

Broadburn was here last night. He was up on Sunday, got belated by the wind & so lost the meetings. Do you think any of going to N. B. Hervey might take Collins & drive you & Emma down & you all put up at Bro Howlands. Ma & I could make shift with little Henry, & Annie & Lucia would be gone. Am I not a nuisance.

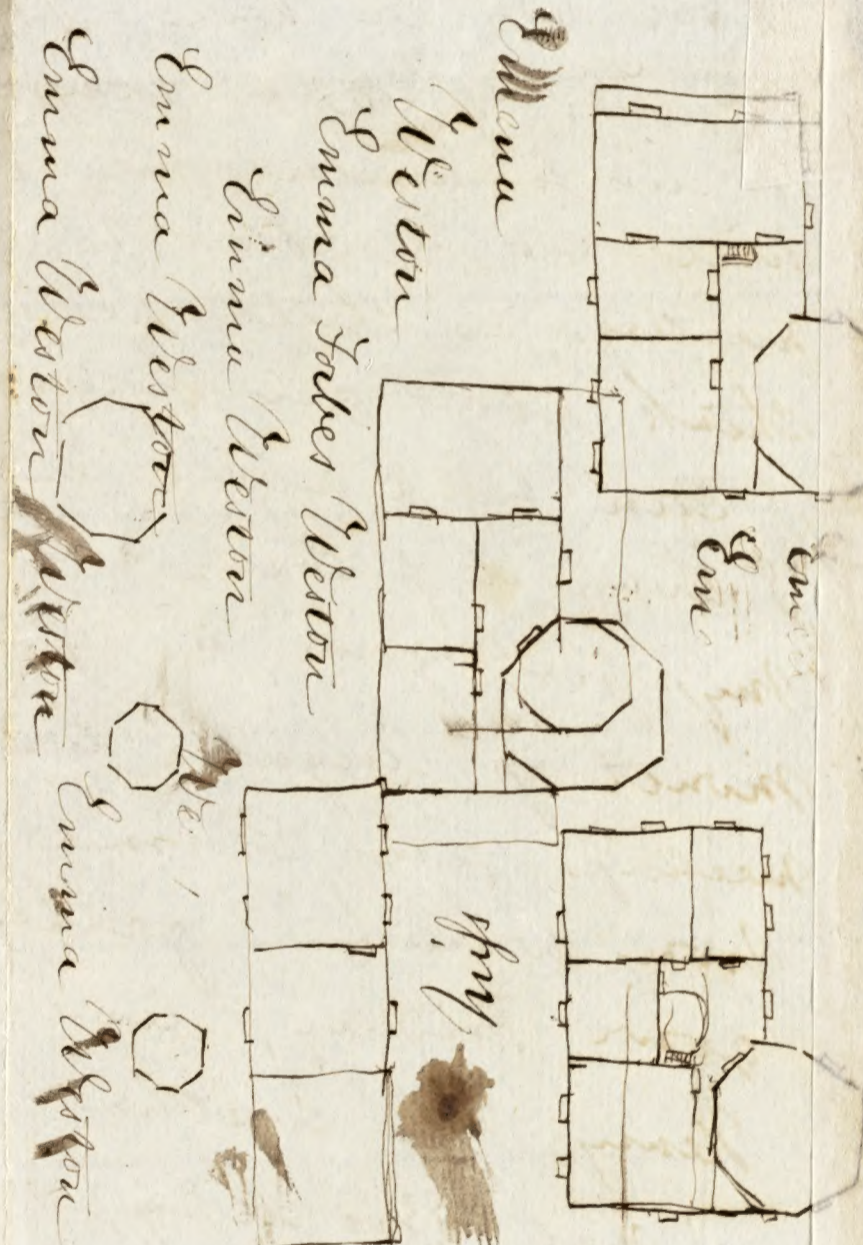

Give my love to all Grandmama's folks & tell  
 Aunt Mary, I wish she & I were able & we were  
 jinkets to Milbury. Bye ever A.M.W. Weston
